Dear Hugh / City of Sydney,

I am writing to the City of Sydney to thank you for the funding of \$1,000 Quick Response Grant. Without this funding the already coordinated workshop components of digital media and traditional artforms for ASSI/ATSI Youth and Children would not have gone ahead.

Unfortunately we were not successful in securing the 10,000 from ATNSW required to deliver some of the other modules but were able to succeed with the support of our sponsors and community volunteers listed below:

**Sponsors:**

- ❖ City of Sydney
- ❖ Dadarri Councelling
- ❖ Fatous Hair Architect – Newtown
- ❖ National Centre for Indigenous Excellence
- ❖ Transformation Consultancy
- ❖ Onyx Media
